The City of Canton Minority/Women Business Enterprise Certification Application

Thomas M. Bernabei, Mayor Andrea M. Perry, Director of Compliance

Beginning the certification process

Why is there a certification process?

A variety of certification programs operate at the Federal, State and Local levels. These programs were originally developed to safeguard minority business assistance programs from misuse by non-minority firms or companies. They serve as a tool for an organization that wants to do business with minority, female or local enterprises by verifying the ownership of the firm and verifying that the firm is operational.

What happens after I complete the form?

Once you have completed the form and provided the background information required, make a copy and submit your original application to:

The City of Canton Compliance Department 218 Cleveland Avenue SW, 8th floor Canton, OH 44702

You must include a signed original affidavit with each application. You may make as many copies of the blank affidavit as you need.

This application does not waive the right of the Compliance Department to request additional information, or to make site visits as part of the certification process. The Compliance Department retains the right to deny certification to a company even when other entities have decided to grant that company certificate.

INSTRUCTIONS

For the City of Canton, you must apply for recertification during the anniversary month of your certification. The application has to be renewed annually.

You must initiate the recertification. It is the responsibility of the certified business owner to reapply before expiration.

No application will be accepted unless it is printed or typewritten, notarized and bears the signature of the owner(s).

The application must be fully completed. Should you need additional space, please attach supplemental pages.

If assistance is needed in the completion process of this application please contact us at (330) 438-4704.
